## INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENT

To,  
The Members  
Sheetal Universal Limited.  
Rajkot.

### Report on the Consolidated Financial Statements

#### Opinion

We have audited the accompanying financial statements of **Sheetal Universal Limited** ('the Company'), which comprise the balance sheet as at 31<sup>st</sup> March 2023, the statement of profit and loss and the Cash Flow Statements for the year ended on that date, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India and subject to notes on accounts attached with financial statement, of the state of affairs of the Company as at 31<sup>st</sup> March, 2023 and its profit for the year ended on that date.

#### Basis of Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Emphasis of Matter

The Company's management is responsible for carrying out the physical verification/ inspection of its Property plant and equipment on a regular basis. We have not independently carried out inspection of Property plant and equipment of the company during the financial year covered under audit. Any adjustment to the value of such assets as appearing in the balance sheet of the company may have effect on profit and net value of

property plant and equipment of the company for the financial year ended on 31<sup>st</sup> march 2023.

The company's management is responsible for carrying out balance confirmation and reconciliation with various trade receivable, trade payables, loans and advances and other balances as appearing in the balance sheet as on 31<sup>st</sup> march 2023, All these balances have not been independently verified by us except checking of balances confirmation on test check basis. Any adjustment to the value of such balances as appearing in the balance sheet of the company may have effect on the profit and value of the net balances of the company for period and year ended as at 31<sup>st</sup> March 2023.

Our opinion is not modified in respect of these matters.

### **Information Other than the Financial Statements and Auditors' Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis and Directors' Report (the "Reports") but does not include financial statements and our auditors' report thereon. The reports are expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue

an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

Conclude on the appropriateness of management's use of the going concerns basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

**Annexure - A to the Independent Auditor's Report**

**The Annexure referred to in Independent Auditors' Report to the members of the Company on the Consolidated financial statements for the year ended 31<sup>st</sup> March 2023**

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we report that:

- i. (a) (i) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment on the basis of available information.
- (ii) The Company has maintained proper records showing full particulars of intangible assets.
- (b) Property, Plant and Equipment have been physically verified by the management during the year and there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) The company does not have any immovable property, however based on leases agreement company has constructed buildings on lease hold land on its name. Based on the examination of documents provided to us, we report that, the title deeds, of all the immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favor of the Company) disclosed in the financial statements included in property, plant and equipment and capital work-in-progress are held in the name of the Company as at the balance sheet date.
- (d) The Company has not revalued its Property, Plant and Equipment (Including Right of use of assets) or intangible assets during the year ended march 31, 2023
- (e) There are no proceedings initiated or are pending against the company for holding benami property under Prohibition of Benami Property Transaction Act 1988 and rules made thereunder.
- ii. (a) The inventories were physically verified during the year by the Management at reasonable intervals. In our opinion, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account
- (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. 7 crores, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion and

according to the information and explanations given to us, the quarterly returns or statements comprising stock statements filed by the Company with such banks or financial institutions are not in agreement with the unaudited books of account of the Company of the respective quarters. Details are as given below

Particulars	Stock as per Books of account (In Thousand Rs)(A)	Stock as per stock statement submitted with Financial Institutes (In Thousand Rs)(B)	Diff (In Thousand Rs) (A-B)	Explanation
Quarter 1	59,936.70	1,29,801.00	69,684.30	It is informed by the management that while submitting stock data with financial institute the company has erroneously counted Export receivable as a stock for Drawing Power calculation.
Quarter 2	26,313.43	83,455.00	57,141.57	
Quarter 3	83,475.47	1,92,009.00	1,08,533.53	
Quarter 4	64,822.95	1,63,243.00	98,420.05	

- iii. During the year, the Company has made investments in and granted loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year, In respect of which

(a) The Company has provided loans during the year and details of which are given below:

Particulars	Aggregate amount granted/provided during the year (In thousand Rs)	Balance Out standing as at balance sheet date (In thousand Rs)

- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company
- (e) We report that the Company has neither taken any funds from any entity or person during the year nor it had any unutilized funds as at the beginning of the year of the funds raised through issue of shares or borrowings in the previous year and hence, reporting under clause 3 (ix)(e) of the Order is not applicable
- (f) The Company has not raised any loans during the year and hence reporting under clause 3 (ix) (f) of the Order is not applicable
- x. (a) The company did not raised moneys by way of initial public offer or further public offer (including debt instruments) and term loan during the year. Accordingly, paragraph of 3(x) of the order is not applicable.
- (b)According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year and hence reporting under clause 3(x)(b) of the Order is not applicable
- xi. (a) According to the information and explanations given to us, no fraud by the Company or on the company has been noticed or reported during the year.
- (b) No report under section 143(12) of the Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and up to the date of this report

(C) As represented to us by the Management there were no whistle blower complaints received by the Company during the year

- xii. In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us, the Company is in compliance with the section 177 and 188 of The Companies Act, 2013 where applicable for all transactions with the related parties and the detail of related party transaction have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. (a) The company is not falling under eligibility criteria of internal audit. Accordingly, paragraph 2(xiv) of the order is not applicable.
- (b) As no internal audit report was available we have not considered any internal audit report for the period under audit.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Hence, Provision of section 192 of the act are not applicable.
- xvi. (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3 (xvi)(a), (b) and (c) of the Order is not applicable
- (D) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company

## **Annexure - B to the Independent Auditor's Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Sheetal Universal Limited** as of 31<sup>st</sup> March 2023 in conjunction with our audit of the financial statements of the Company for the year ended 31<sup>st</sup> March, 2023.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **Significant accounting policies**

#### **a) Group Information:**

Sheetal Universal Limited is the public limited company domiciled in India and incorporated on 20<sup>th</sup> August 2015, CIN - U51219GJ2015PLC084270, registered office at Office No. 348, 2<sup>nd</sup> Floor, Iscon Mall, 150 Ft Ring Road, Dist – Rajkot.

Sheetal Universal Limited have two subsidiaries namely 1) Saumesvar International Private limited domiciled in India incorporated on 02nd August 2017, CIN - U51909GJ2017PTC098538. 2) Svar Industries Private limited domiciled in India incorporated on 14th September 2021, CIN:- U01100GJ2021PTC125584

The Company along with its subsidiaries ("The Group") is primarily engaged in to the business of Processing and Exporting of Agri products. And the group is not listed.

#### **b) Basis of Preparation of Financial Statements:**

The Financial statement are prepared on mercantile basis under the historical cost convention in accordance with the generally accepted accounting principles in India, Accounting Standards notified under section 133 of the Companies Act, 2013 read with Companies (Accounting) Rules, 2014 and the other relevant provisions of the Companies Act, 2013.

#### **Basis of Consolidation**

Subsidiaries include all the entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns through its involvement in the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity.

The Consolidated financial statements of the Group incorporate the assets, liabilities, equity, income, expenses and cash flows of the company and its subsidiaries and are presented as those of a single economic entity. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- the ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in

assessing whether it has power over an investee, including The contractual arrangement with the other vote holders of the investee

- Rights arising from other contractual arrangements
- The Group's voting rights and potential voting rights
- The size of the Group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on March 31.

Negative Minority interest is adjusted to the consolidated reserves.

### **Consolidation Procedure**

Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date.

Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.

Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognized in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. IND AS12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions. Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's accounting policies. All intra-

group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

**c) Use of estimates:**

The preparation of Financial Statements in conformity with Generally Accepted Accounting Principals (GAAP) in India requires management to make estimates and assumptions to be made that affect the reported amounts of assets and liabilities, disclosure of contingent amount as at the date of Financial Statements and reported amounts of revenues and expenses during the reporting period. Actual results could be different from these estimates. Any revision to the accounting estimates is recognized in the period in which the results are known/ materialized.

**d) Revenue Recognition:**

Sales income is recognized as per AS 9 i.e. "Revenue Recognition" when the ownership of goods and all risk and rewards associated with ownership has been transferred to buyer which generally coincides with the delivery of goods to customers and there exists no reasonable uncertainty regarding collection of debts.

**e) Property Plant and equipment:**

Property Plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of Property Plant and equipment includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. and depreciated over the remaining useful life of such assets. Machinery spares which can be used only in connection with an item of Property Plant and equipment and whose use is expected to be irregular are capitalized and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure relating to fixed assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

**f) Depreciation:**

Depreciation is provided on Written down Value Method at rates specified in Schedule II of companies Act, 2013.

Depreciation on new asset acquired during the year is provided at the rates applicable from the date of acquisition to the end of the financial year.

In respect of the asset sold during the year, depreciation is provided from the beginning of the year till the date of its disposal.

**g) Impairment of Assets:**

An asset is treated as impaired when carrying cost of asset exceeds its recoverable value. During the period, company has applied the impairment tests to arrive at any possible

Impairment. Accordingly, in the opinion of management there is no impairment, which is required to be recognized in the books.

**h) Investments:**

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties

**i) Borrowing Cost:**

Borrowing costs include interest, amortization of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilized for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalization of such asset is added to the cost of the assets. Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

**j) Inventories:**

Inventories are stated at lower of cost (On FIFO Basis) and estimated net realizable value, after providing for cost of obsolescence and other anticipated losses, wherever considered necessary. Inventories of the company are valued as certified by management.

**k) Taxes on Income:**

Tax expenses comprise of current and deferred tax.

Provision for current income tax is made on the basis of relevant provisions of Income Tax Act, 1961 as applicable to the financial year.

Deferred Tax is recognized subject to the consideration of prudence on timing differences, being the difference between taxable Income and Accounting Income that originate in one period and are capable of reversal in one or more subsequent periods.

**l) Earnings Per Share:**

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of

equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

**m) Provisions, Contingent Liabilities and Contingent Assets**

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

**n) Employee Benefits**

Employee benefits include provident fund, superannuation fund, gratuity fund, compensated absences, long service awards and post-employment medical benefits.

The Company has not provided for provision for Employee benefit during the financial year under audit.

**n) Cash and cash equivalents (for purposes of Cash Flow Statement)**

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

**o) Cash flow statement**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

## **p) Foreign currency transactions and translations**

### Initial recognition

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

### Measurement of foreign currency monetary items at the Balance Sheet date

Foreign currency monetary items (other than derivative contracts) of the Company and its net investment in non-integral foreign operations outstanding at the Balance Sheet date are restated at the year-end rates.

In the case of integral operations, assets and liabilities (other than non-monetary items), are translated at the exchange rate prevailing on the Balance Sheet date. Non-monetary items are carried at historical cost. Revenue and expenses are translated at the average exchange rates prevailing during the year. Exchange differences arising out of these translations are charged to the Statement of Profit and Loss.

### Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company and its integral foreign operations are recognized as income or expense in the Statement of Profit and Loss. The exchange differences on restatement / settlement of loans to non-integral foreign operations that are considered as net investment in such operations are accumulated in a "Foreign currency translation reserve" until disposal / recovery of the net investment.

The exchange differences arising on restatement / settlement of long-term foreign currency monetary items are capitalized as part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets or amortized on settlement / over the maturity period of such items if such items do not relate to acquisition of depreciable fixed assets. The unamortized balance is carried in the Balance Sheet as "Foreign currency monetary item translation difference account" net of the tax effect thereon.

## **q) Government grants, subsidies and export incentives**

Government grants and subsidies are recognized when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants / subsidy will be received. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets are presented by deducting them from the carrying value of the assets. The grant is recognized as income over the life of a depreciable asset by way of a reduced depreciation charge.

Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

Government grants in the nature of promoters' contribution like investment subsidy, where no repayment is ordinarily expected in respect thereof, are treated as capital reserve. Government grants in the form of non-monetary assets, given at a concessional rate, are recorded on the basis of their acquisition cost. In case the non-monetary asset is given free of cost, the grant is recorded at a nominal value.

Other government grants and subsidies are recognized as income over the periods necessary to match them with the costs for which they are intended to compensate, on a systematic basis.

**r) Identification of prior period, Extra ordinary and Exceptional Items**

Items of incomes or expenses which aroused in the current year but the conditions, events or evidences for those transactions relates to one or more prior periods are separately disclosed in the financial statements.

The items of incomes or expenditure which does not relates to ordinary business activities are classified as extraordinary items in the financial statements.

Income or expenditures which relates to ordinary business activities but are exceptionally high or low as comparted to one or more comparatives are classified as exceptional items.

There is no change in any accounting policy or accounting estimates or the enterprise which materially affect the financial statements of the enterprise.
